

SEAMLESS SEA ACCESS: CUSTOM SWIM LIFT SOLUTIONS

Experience the pinnacle of luxury with our Akerboom-quality swim lift, designed for effortless control and seamless transition from yacht to ocean

Option 1: Swim lift featuring self-leveling steps and an expansive lower platform for ultimate convenience and comfort.

Option 2: Opt for the sleek Swim lift with self-leveling steps, designed without a lower platform for a more refined silhouette.

Option 3: Choose the Swim lift with fixed steps, crafted without a lower platform for straightforward, dependable access.

Option 4: Experience seamless luxury with the Swim lift integrated into the Akerboom hull platform, blending flawlessly with your yacht.

Preservation Perfection

System and teak preservation ensured with an innovative fresh water spray system and forced dry air circulation to maintain pristine condition.

Seamless Aesthetics

Fully integrated into the ship's design, each swim lift features a custom end cover for a flawless finish.

Hassle-Free Setup

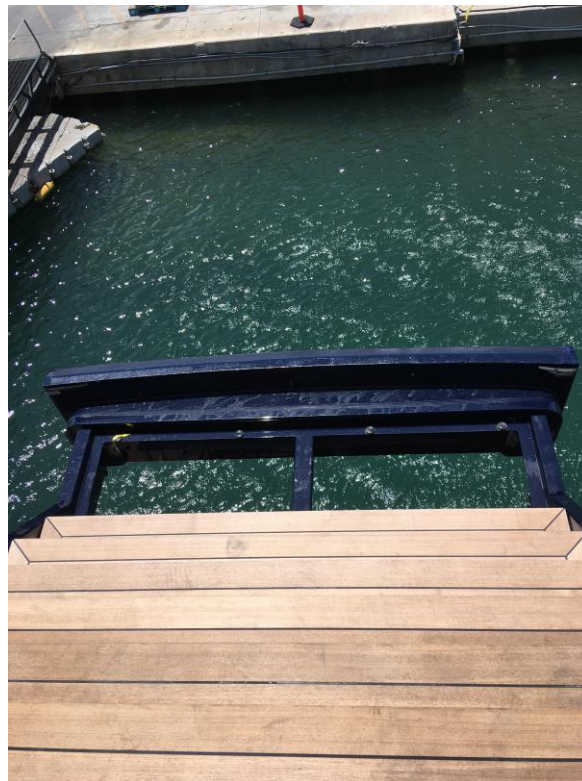

Delivered as a built-in cassette, our swim lifts offer easy and straightforward installation and service.

Durable Design

Enjoy a corrosion-proof experience with swimlifts crafted from high-grade materials for enduring quality.

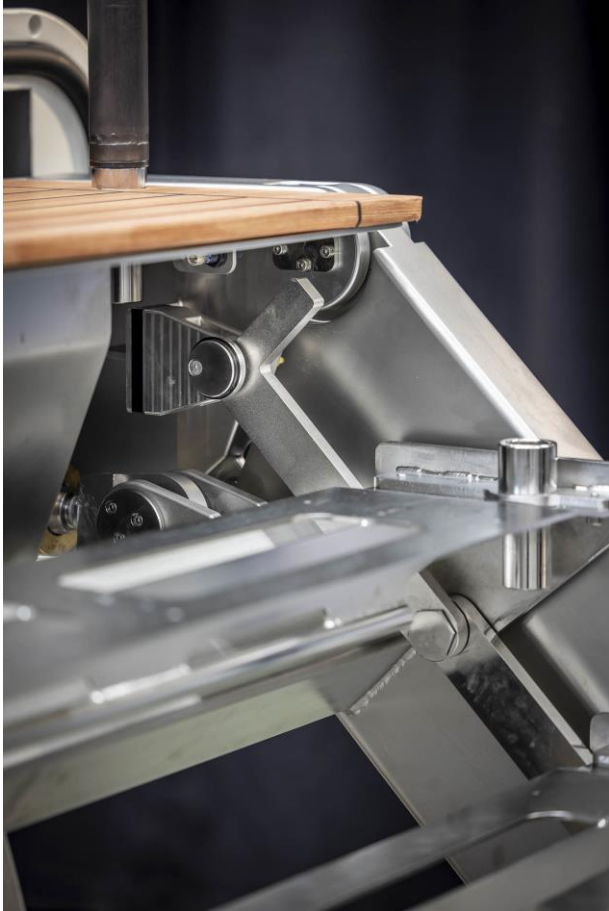

Universal Compatibility

Akerboom swimlifts are designed to seamlessly integrate into any new build or refit project, offering unparalleled flexibility.

Proven in refits, our swim lifts deliver enduring mechanical integrity, facilitate straightforward overhauls without the need for new finishes, and ensure smooth refits with high-grade components and detailed, up-to-date blueprints

Step Width Options: Self-leveling steps available in widths from 1000mm to 2300mm.

Compact Design: Non-self-leveling step options ranging from 500mm to 1000mm.

Step Count Flexibility: Choose from 3 to 12 steps, depending on ladder width.

Weathertight Closure: Ensures protection when stored at all times.

Finish Choices: Steel finishes range from painted to electrolytic or high gloss polish.
