

# AKERBOOM

yacht equipment

IN CONTROL OF YOUR YACHT EQUIPMENT

**Our latest innovation,  
a wireless remote  
control with  
integrated display,  
provides live system  
status, movement  
angles, and clear  
safety diagnostics—all  
in a single, easy-to-  
read interface.**

DISPLAY OF CONTROLS

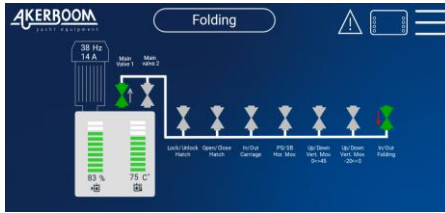

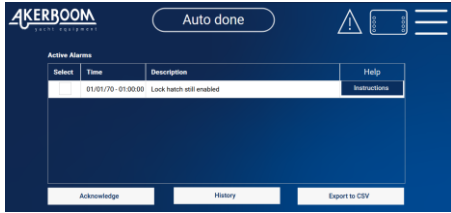

AKERBOOM@AYEHOLLAND.NL

**Stay in command with  
our control cabinets,  
featuring a high-quality  
display that gives you  
instant access to  
equipment status, full  
I/O readings, and error  
diagnostics at your  
fingertips**

DISPLAY OF CONTROLS

AKERBOOM@AYEHOLLAND.NL

**Option 1: Error logging added with error manager on display interface**

**Option 2: Status/Process logging with status manager on display interface**

**Option 3: Remote displaying of interface on mobile device (w/o actual control for safety)**

**Option 4: Integrated display provides immediate feedback on status, movements, and safety diagnostics directly on the unit**

## Efficient Operation

Maximize operational efficiency with just one person required for seamless control.

## Safety First

Ensure top-notch safety, ensuring that the remote display does not provide control access.

## Remote Monitoring

Access equipment status, full I/O readings, and error diagnostics remotely from anywhere.

## Widely applicable

Akerboom control systems are applicable on every new build or refit project with or without Akerboom equipment

## Akerboom Expertise

Experience unparalleled quality and service with the trusted Akerboom standards.
